Background: The Young Professional Forum (YPF) and YPFSC was established at the FIDIC 2004 Copenhagen Conference as a means to encourage the involvement of more Young Professionals in FIDIC activities. The YPFSC defined its business plan, clearly setting out its vision, mission, and organization values, in 2007.

New members: The FIDIC YPFSC is calling for nominations that may be sponsored by FIDIC Member Associations (MAs) and/or Young Professional Member Associations. Nominations to the committee will be reviewed and interviewed by active YPFSC members. Successful candidates will begin service on the committee in January 2019.

The YPFSC anticipates inviting qualified candidates to join the committee. This number will be identified according to the quality and number of nominated candidates.

We encourage MAs and YP MAs to nominate candidates who are active in their YPs group. This allows the candidate to better represent his country, Young Professional group, and MA on the Steering Committee. Meetings are held monthly using Internet forums such as Skype.

Please complete and email the **form from page 3**, together with your **CV** and a **letter of recommendation from your national FIDIC MA and also a recommendation from your company**, to the **YPFSC Chair (Cosmin Tobolcea)** and **YPFSC Vice Chair (Adam Bialachowski)**, at the email YPF@FIDIC.org or <mailto:swilson@mcelhanney.com>.
