About this workshop

This special two-day event has been designed to provide a detailed insight into the presentation and analysis of claims under the FIDIC Contracts. The programme has been designed to be highly practical and includes active participation in 'hands-on' workshops and discussion sessions.

The workshop leaders are highly experienced in the use of the FIDIC Contracts and Claims.

The International Federation of Consulting Engineers (FIDIC) has, over the years, issued a number of standard documents for use on construction projects. The contracts which are currently in most common use around the world are: The Conditions of Contract for Construction (The Red Book); The Conditions of Contract for Plant and Design-Build (The Yellow Book); The Conditions of Contract for EPC Turnkey Projects (The Silver Book).

For more information about Cornerstone Seminars, please go to: www.cornerstone-seminars.com

Who should attend?

This event will be of great interest to all those actively involved in international projects, including representatives from Consulting Engineers, Contractors, Funding Agencies, Employers, Insurers, Manufacturing Organisations as well as representatives from Legal & Construction Professions.

Certificates and documentation

Participants will receive an official FIDIC course completion certificate, plus full Cornerstone documentation. Copies of the main FIDIC Red, Yellow & Silver contracts books, referred to during the event, may be purchased separately, see booking form.

Venues and date

Please check our website www.cornerstone-seminars.com for our current schedule. Cornerstone venue details are confirmed to delegates following registration. Workshops are held at outstanding venues.

Participants are issued with a FIDIC course completion certificate.

FIDIC Cornerstone workshops are organized wherever possible in cooperation with either a national FIDIC Member Association or a local association, to allow members of the association to enjoy certain benefits such as a reduced registration fee. If a reduced fee is available this will be indicated when a participant registers.

Cornerstone also provide in-house FIDIC seminars which can be tailored to your company's needs. Email: info@cornerstone-seminars.com

About the speakers

Edward Corbett is the managing director of Corbett & Co International Construction Lawyers Ltd, a practice specialising in international construction law. His experience includes ICC arbitration, litigation and dispute adjudication as well as contract drafting and procurement strategy. He has worked for contractors as well as for employers, funders and consultants. He regularly advises some of Europe's major construction players and his usual caseload involves projects in Europe, Africa, South-East Asia, the Indian Sub-continent and the Middle East. He is a Fellow of the Chartered Institute of Arbitrators, an accredited adjudicator and mediator and a Panellist of the American Arbitration Association. He is the author of 'FIDIC 4th – A Practical Legal Guide'. He has lectured extensively on construction law and in particular on FIDIC's standard forms of contract.

He is previous co-chair of the International Construction Projects committee of the International Bar Association and is a member of the Working Group of FIDIC which drafted the Short Form of Contract and the Dredging Contract. Corbett & Co is an affiliate member of FIDIC.

David Richards is a highly experienced expert in FIDIC claim and dispute resolution. He has been appointed as Arbitrator on over seventy and Adjudicator on thirty five occasions. He has given expert opinion evidence in delay analysis and complex disruption assessment & valuation. He is a member of a Dispute Resolution Board and undertakes expert determinations. He is responsible for the provision of dispute related services to employers, contractors and subcontractors and has been involved in a number of high profile cases featured in the construction press and law reports.

He has a BSc in Quantity Surveying, over 30 years' experience as a Chartered Quantity Surveyor and is a Fellow of the Royal Institution of Chartered Surveyors and the Institution of Civil Engineering Surveyors.

He has over 20 years' experience as a Chartered Arbitrator, is a Fellow of the Chartered Institute of Arbitrators, the Association of Arbitrators Southern Africa and chairman of the Southern Branch of the Chartered Institute of Arbitrators, the RICS Contracts Panel, as well as a member of the Council of the Society of Construction Law and its committee for the development of the Protocol on Delay and Disruption.
