

Name	Deng Xin	Gender	<input checked="" type="checkbox"/> M <input type="checkbox"/> F			
Organization	Guang Dong Bo Yuan Architecture & Engineering Consultation Co. LTD					
Position/Title	Senior Engineer	Academic Degree	bachelor of engineering/master of engineering			
Major	Water Resources & Hydro-power Engineering	University	University of Wuhan			
Qualification	Consultation and Design of Engineering	Date of Recruitment	2007.07			
Certification No.	2013130260	Date of Issue	2013.04.22	Date of Expiry		
Professional Experience	<p>1. Jul. 2007 -- Mar. 2009, lectured in basic and professional courses of water conservancy and hydropower in the college of engineering and technology, College of Agriculture and Husbandry of Tibet University(former Tibet Agricultural and Husbandry College).</p> <p>2. Apr. 2009 -- Jun. 2019, Guangdong Zhurong Engineering & Design co., LTD.</p> <p>3. Jun. 2019 till now, Guangdong Boyuan Engineering Consulting co., LTD.</p>					
Major Achievements (type of engineering, ie. Civil, electrical, mechanical, etc. and type of projects, ie. Power station, railways, bridges, etc.)	Domestic projects	<p>1. Project name: Investigation and Design of Hongyan water control project of Duliu River from Preliminary Stage to Construction Drawing Stage in Rongjiang county, Qiandongnan Prefecture. Completion time: 2017.10 Role in project: Responsible for the bidding, completed the overall understanding of the project and the compilation of technical bidding documents and the review of bidding documents (medium-sized reservoir).</p> <p>2. Project name: Investigation and Design of Xikou Reservoir Project in Rongjiang County, Guizhou Province. Completion time: 2015.12 Role in project: Responsible for the bidding, completed the overall understanding of the project and the compilation of technical bidding documents and the review of bidding documents (medium-sized reservoir).</p> <p>3. Project name: Investigation and Design of Laguna Reservoir Project in Sandu County. Completion time: 2016.03 Role in project: Responsible for the bidding, completed the overall understanding of the project and the compilation of technical bidding</p>				

		<p>documents and the review of bidding documents (medium-sized reservoir).</p> <p>4. Project name: Sand Mining Planning of Mojiang County, Pu 'Er City. Completion time: 2018.08 Role in project: As a major technical personnel, compiled the sand mining planning report of Mojiang County, Pu 'Er city.</p> <p>5. Project name: Aqueduct Safety Appraisal Regulations. Completion time: 2017 Role in project: As one of the main draftsmen, compiled the local standard of Guangdong Province "Aqueduct Safety Appraisal Regulations (DB44/T 2041-2017)".</p> <p>6. Project name: The Preliminary Design Stage of Laguna Reservoir Project in Sandu County. Completion time: 2016.03 Role in project: As the project leader, completed the verification of chapter 5 of the preliminary design report, project layout and building section report.</p> <p>7. Project name: Preliminary Design Stage of Zhongye Reservoir Project in Mojiang County, Yunnan Province. Completion time: 2014 Role in project: As lead hydraulic engineering engineer , completed the compilation of chapter 5 of the preliminary design report on the project layout and the hydro-junction part of the building report, as well as the review of the irrigation area part and the draft work.</p> <p>8. Project name: Feasibility Study Stage of Miaotang Reservoir Project in Wushan County, Chongqing. Completion time: 2017.01 Role in project: As a technical backbone of hydraulic engineering, participated in the 6 chapter, the project layout and building of the report compilation.</p> <p>9. Project name: Feasibility Study of Xiaoheke Hydropower Station on Xiaohejiang River, Yunnan Province. Completion time: 2014 Role in project: As the project leader, completed the verification of project layout and building related contents of the feasibility report of the project, the compilation of comprehensive instructions and the main report.</p> <p>10. Project name: Pearl River Embankment Project (the First Phase of Reinforcement of the Southern Bank Section of the University). Completion time: 2017.03.20</p>
--	--	---

	<p>Role in project: As the deputy project leader , completed the project feasibility study report of the project layout and building check and comprehensive description of the corresponding content.</p> <p>11. Project name: Proposal for Dusu Reservoir Project in Cengong County, Guizhou Province. Completion time: 2017.10 Role in project: As the project leader, completed the whole project planning, program formulation and report review.</p>
