Objectives of Course:

To assist construction professionals working with the 1999 FIDIC Contracts, Red & Yellow Books, in meeting challenging contractual issues that may arise during the progress of projects

This course, Module 1A (Advanced), presents 101 challenging questions that relate to the practical issues of the FIDIC Contracts, and so creates a dialogue and understanding on how the documents are to be used. This course is unique to ECV

The course is designed for the **optimum interaction** between the delegates and the tutor, so that not only are the questions posed answered, but there is adequate discussion and explanation as to the basis of the answers.

The number of delegates will not exceed 30 to allow effective discussion on the issues raised

The Tutors:

The tutors are very experienced international Engineers

ECV undertakes specialist training & consultancy to those working with the 1999 FIDIC Contract Conditions. ECV is the pioneer of FIDIC training courses since 2000, presenting its varied courses in over 80 countries involving 20,000 + professionals.
