International Construction Contracts & Dispute Resolution– 14th Edition 29-30 March 2016, Istanbul, Turkey

Experts in international commercial dispute resolution will converge in Turkey for the annual ICC/FIDIC conference on resolving disputes in international construction deals. In its 14th edition, this conference will be the perfect opportunity to express your views and experience in interactive debates with renowned specialists in the field.

Topics will include:

- Issues with the use of FIDIC Contracts in Turkey and the Middle East
- Claims and Dispute Resolution Procedures under FIDIC Contracts
- Benefits of using Dispute Boards in international projects
- Settlement of construction disputes and related problems
- Jurisdictional issues with respect to preliminary stages in multi-tiered dispute resolution clauses
- Construction arbitrations involving States and State entities

Target audience

This premier conference will be actively marketed throughout the FIDIC & ICC exclusive global contacts involved in international construction contracts and disputes, such as:

- Engineers
- Contractors
- In-house lawyers
- Construction lawyers
- Arbitrators
- Mediators
- Contract managers
- Financial institutions

Sponsors receive maximum visibility during the promotional phase, onsite and also after the Conference. As truly global organizations, we have a global audience. This Conference will be promoted through FIDIC & ICC databases of over 10,000 professionals.
