“Project and Contract Management under 1999 FIDIC Conditions of Contract (Construction/Design-Build)”

OVERVIEW

The training course is designed to provide practical guidance to those who are involved in managing or administration of projects where use of FIDIC forms of contracts is required. This course covers FIDIC contract management, claim management and dispute management in more depth than module 1, but it covers aspects of importance of Employer’s and Contracting authorities.

It is suitable for all the Parties involved with a new FIDIC Contract – the Employer, the Project Manager, the Contractor, the Engineer, and the DAB Members. By having a good understanding of the FIDIC contract and claim management approach and the resulting responsibilities and rights of the Parties under a 1999 FIDIC Contracts, a more efficient management of the project may be achieved. The tutors of the course are a very experienced German engineer and a German lawyer, who both have had extensive worldwide involvement with management of projects and related dispute resolution.

SEMINAR TUTOR:

The course is provided by Nestor Bildungsinstitut GmbH in collaboration with FIDIC. Nestor specializes in training and management in particular in the consultancy to international construction and infrastructure industries. The Nestor tutors have provided over 130 training courses worldwide in the last 3 years on the use of FIDIC documents.

Tutors: Dr. Götz-Sebastian Hök (Lawyer, Arbitrator and FIDIC listed Adjudicator) and
Dipl.-Ing. Robert Werth (FIDIC listed Adjudicator, FIDIC accredited Trainer)

COURSE MATERIALS

All delegates will be provided the following materials, in English:

- FIDIC Conditions of Contract for Plant and Design-Build
- Course notes, especially written for using “Construction Contracts”
- Set of Powerpoint slides used during the seminar - to be used as a work book
- Work Exercises

WHO SHOULD ATTEND?

The seminar provides the essential knowledge for professionals from Government Ministries, Departments and Agencies, Private Sector Employers, Consulting Engineers, Contractors, Sub-Contractors, Quantity Surveyors, Architects, Legal Advisers and all involved with the management of change under FIDIC Contracts 1999 edition. It is particularly important where FIDIC management procedures shall be implemented and in particular for those who deal with claims and Variations under FIDIC Contracts.
