**Overall intro to the whole event**

The Official FIDIC Contract Users' Conference (Asia and Australasia time zone event) is being staged online and delivered in-house by FIDIC on 13-15 July 2021. This event, targeting both the Asia and Australasia contract users' community, offers a unique opportunity to share progress on the application and use of FIDIC contracts internationally and across the region and will include participation from MDBs, private sector organisations and clients, government, engineers, contractors, investors, consultants, and other stakeholders who have an interest in FIDIC contracts. The three-day conference is a must-attend event for all those working with FIDIC contracts in Asia and Australasia and bookings are open now.

*See below for details of each day's programme.*

**Tuesday 13 July 2021**

**– FIDIC Contracts - current state of play, latest developments, and future plans (SGT Time)**

Day 1 of the Official FIDIC Contract Users' Conference offers delegates a comprehensive overview of the current state of play regarding FIDIC's market-

leading contract documents and includes an update on planned new contracts in the pipeline and the latest news on new initiatives and developments underway. The first day of the conference will also take a look at the latest regional developments with regard to FIDIC contracts and also highlight how to best use them to improve project procurement. The day will be rounded off with an 'Ask the FIDIC contracts committee' Q&A where delegates will be able to engage with and quiz the members of the committee on any and all matters related to FIDIC contracts.
