#### Who should attend?

This event will be of great interest to all those actively involved in international projects, including representatives from Consulting Engineers, Contractors, Funding Agencies, Employers, Insurers, Manufacturing Organizations as well as representatives from the Legal and other Construction Professions.

#### Certificates and documentation

Participants will receive a FIDIC course completion certificate, copy of the FIDIC 1999 contracts book referred to during the event, plus full written documentation.

#### About this workshop

This special two-day event has been designed to enable parties, their representatives, Engineers and Dispute Board members to understand and manage the DAB process.

The FIDIC Module 3 Workshop program has been designed to be highly practical and include active participation in 'hands-on' workshops and discussion sessions.

The workshop leader Dr. Götz-Sebastian Hök is highly qualified in experience of the FIDIC Contracts.
