**Module 1 “The Practical Use of the 1999 FIDIC Conditions of Contract for Construction & Design-Build”**  
**Module 2 “The Management of Claims & Resolution of Disputes under 1999 FIDIC Contracts”**

---

---

**OVERVIEW:**

The 1999 FIDIC Conditions of Contract are being increasingly used by the international Construction Industry throughout the World. The Multi-Lateral Development Banks, including the World Bank, the African Development Bank, the Inter -American Development Bank & others have adopted the 1999 FIDIC Conditions of Contract for Construction with modifications known as Harmonised Construction Contract.

**Module 1** gives the delegates a sound understanding on the practical use of the FIDIC Construction (Red Book) & Design-Build (Yellow Book) Contracts. The procedures and application of the Contract clauses are explored & made realistic through extensive work exercises. Delegates will be much more confident in using these complex Contracts after completing the course.

**Module 2** is designed to provide practical assistance to those working with the FIDIC 1999 Contract Conditions in the management of claims whether time &/or cost related. The objective is to avoid claims becoming disputes but should this occur the FIDIC Dispute Adjudication process is fully explained. As with Module 1 work exercises bring the Contract clauses to “life” with the participation of all delegates in their solution.

Both courses are applicable to all the Parties involved within a 1999 FIDIC Contract including representatives of the Employer, the Contractor, the Engineer, and associated professionals. By having a professional understanding of the responsibilities and rights of the Parties under 1999 FIDIC Contracts, the prospects for successful projects are greatly increased and the resolution of claims will be achieved more successfully.

**SEMINAR TUTORS:**

**Henry Musonda**

*Arbitrator, Adjudicator & Mediator, BEng MEng Construction Mgt, MSc Construction Law & Arbitration, FIDIC Listed Adjudicator and Accredited Trainer*

**Vincent Leloup**

*EUR ING, MSc Water Mgt & Agronomy, FIDIC International Accredited Trainer and Accredited Adjudicator, member of the FIDIC Contracts Committee, EC Harris*

**COURSE MATERIALS:**

Delegates will be provided the following materials, in English:

- FIDIC Conditions of Contract for Construction 1999 Edition (Red Book)
- FIDIC Conditions of Contract for Plant & Design-Build, 1999 Edition – (Yellow Book)
- Schedule of overheads used during the seminar – to be used as “Work Book”
- Work Exercises

**WHO SHOULD ATTEND?**

The training course provides the necessary knowledge for professionals from Government Ministries and Agencies, Private Sector Employers, Consulting Engineers, Contractors, Quantity Surveyors, Architects, Legal Advisers and all involved with the implementation and management of large Works Contracts. It is particularly important to those involved in preparing or managing infrastructure projects financed under MDBs' Funds as all their Works Contracts use the FIDIC Conditions of Contract.

**REGISTRATION FEE PER PARTICIPANT:**

- Delegate Fee (**includes for lunch on each day, refreshments and all course materials**):  
€ 1,400 (K 11, 500) for both courses and € 700 (K 5,750) per course.
- Registration closes on **17<sup>th</sup> July 2015**
