Contractors, Legal Advisers, etc. have  
confidence in working with FIDIC  
Contract documents which are  
increasingly becoming the international  
language in the construction industry**

---

### OVERVIEW

FIDIC Conditions of Contract are increasingly used by the international construction Industry throughout the world. The two courses have been designed to offer a complete and effective understanding and application of the FIDIC Conditions of Contract and the management of contract claims. While Module 1 course provides a practical guide to understanding and use of the 1999 FIDIC Conditions of Contract and Multi-lateral Development Banks Harmonized Conditions of Contract, Module 2 provides practical advice to those working with the FIDIC Conditions of Contract in the management of claims, understanding, defending and achieving the resolution of claims and the working of Disputes Adjudication Boards and Arbitration.

### COURSE MATERIALS

All delegates will be provided the following materials, in English:

- FIDIC Conditions of Contract for Construction 1999 Edition (The Red Book)
- FIDIC Conditions of Contract for Plant & Design – Build, 1999 Edition (The Yellow Book)
- Schedule of overheads
- Work exercises
- Notes on changes incorporated in the MDB's Harmonized Construction Contract

## WHO SHOULD ATTEND

Both modules provide the necessary knowledge for and targets professionals from:

- ◆ Government Ministries and Agencies;
- ◆ Private Sector Employers;
- ◆ Consulting Engineers;
- ◆ Contractors;
- ◆ Quantity Surveyors & Architects;
- ◆ Legal Advisers; and
- ◆ All involved with the implementation and management of large Works Contracts.

## COURSE RECOGNITION

The courses are regarded by FIDIC as providing part of the appropriate training for any person wishing to apply to the National Adjudicators' lists of FIDIC the FIDIC President's List of Approved Dispute Adjudicators. The courses are also accredited by the Engineers Registration Board of Tanzania and engineers participating in one course will be awarded 16 Professional Development Units (PDUs).

## COURSE TUTOR

The tutor is Eng. Richard Appuhn. He is a specialist trainer in FIDIC Conditions of Contract and is accredited by FIDIC to conduct FIDIC Contract courses.

Richard obtained his BSc and MSc. degrees in civil engineering from the University of California, Berkely, in 1962 and 1964 respectively. He is a registered professional engineer and has a wide international experience working in major works contracts as a Consultant, Project Manager or Adjudicator in the U.S.A; Europe, South East Asia, Northern and Southern Africa. and Tanzania.

Richard is a lecturer on FIDIC Conditions of Contract and is a Member of the Drafting Committee for FIDIC Publications some of which include:
