des Ingénieurs – Conseils

The International Federation of Consulting Engineers (**FIDIC**) in
partnership with **ASTRIK International** is proud to present CPD
Training in Rwanda

**FIDIC ACCREDITED
SHORT COURSE TRAINING:**

MODULE 1:

The Practical Use of the 1999 FIDIC Conditions of Contract
& MDBs' Harmonised Construction Contract – 2010 Edition

**Wednesday, 18th to Thursday, 19th March 2015
in Kigali, RWANDA**

OVERVIEW

The FIDIC Conditions of Contract are increasingly used by the international construction Industry throughout the world and Rwanda in particular. With the rapid development of infrastructure and construction industry in Rwanda there is a challenge in the area of contract design and contract management.

The FIDIC training programme aims to address this challenge by providing a practical guide to understanding and use of the 1999 FIDIC Conditions of Contract and Multi-lateral Development Banks Harmonized Conditions of Contract that meet the employers and employee's requirement for a professional development and so contribute to the aspirations of the **Vision 2020** for the Republic of Rwanda.

COURSE MATERIALS

All delegates will be provided the following training materials, in English:

- FIDIC Conditions of Contract for Construction 1999 Edition (Red Book)
- FIDIC Conditions of Contract for Plant & Design – Build, 1999 Edition (Yellow Book)
- Course presentations & Work exercises

WHY SHOULD YOU ATTEND

FIDIC conditions of contract are accredited international program offered worldwide. Practitioners in Rwanda who attended these courses outside the country incurred higher cost. Therefore, in-country training on FIDIC program is affordable will benefit many practitioners young, and experienced who are involved in the contract management in Rwanda.

WHO SHOULD ATTEND

Professionals who are involved in the planning design and implementation of construction contracts are highly recommend attending from the following:

- Government Ministries and Agencies;
- Private Sector Employers;
- Consulting Engineers;
- Contractors;
- Quantity Surveyors & Architects;
- Legal Advisers;
- Academic institutions

COURSE RECOGNITION

The FIDIC training courses are regarded by FIDIC as part of the appropriate training for any person wishing to apply to the National Adjudicators' lists to FIDIC. The FIDIC President's approves the lists of Dispute Adjudicators.

Participants will be issued with certificate of CPD credit recognised by professional bodies in Rwanda.

COURSE ACCREDITED TRAINER

Mr. Bogdan Oprea is accredited FIDIC trainer and experienced in the use of FIDIC Contracts who gained international experience in various civil engineering fields in a number of countries (Far East, Middle East and Africa). He is a member of Dispute Resolution Board Foundation of the Romanian Association of Consulting Engineers. He served recently as Mediator, Negotiator and Adjudicator under FIDIC conditions of Contract on several International contracts. Mr. Bogdan is a facilitator in the fields of Civil Engineering, Buildings and Infrastructures.

COURSE FEE PER PARTICIPANT

- Training fee per participant is **€ 800** (VAT (18%) inclusive).

***The fee includes tea breaks, lunch,
refreshments and all course materials and a
certificate***
