

TWO DAY FIDIC COURSE

THE PRACTICAL USE OF THE 1999 FIDIC CONDITIONS OF CONTRACT FOR CONSTRUCTION (RED & YELLOW BOOKS) IN WINDHOEK, NAMIBIA

FIDIC ACCREDITED TRAINING COURSE

MODULE 1:

The Practical Use of the 1999 FIDIC Conditions of Contract & MDBs' Harmonised Construction Contract – 2006 Edition FIDIC

**Wednesday, 30th to Thursday, 31st July 2014
WINDHOEK, NAMIBIA**

OVERVIEW

The FIDIC Conditions of Contract are increasingly used by the international construction Industry throughout the world and Namibia in particular. With the rapid development of infrastructure and construction industry in Namibia there is a challenge in the area of contract design and contract management.

The FIDIC training programme aims to address this challenge by providing a practical guide to understanding and use of the 1999 FIDIC Conditions of Contract and Multi-lateral Development Banks Harmonized Conditions of Contract that meet the employers and employee's requirement for a professional development and so contribute to the aspirations of the **vision** for the Republic of Namibia.

COURSE MATERIALS

All delegates will be provided the following training materials, in English:

- FIDIC Conditions of Contract for Construction 1999 Edition (Red Book)
- Course presentations in CD
- Work exercises

WHY SHOULD YOU ATTEND

FIDIC conditions of contract are accredited international program offered worldwide. It has been obviously that practitioners in Namibia who attended these courses outside the country incurred higher cost. Therefore, the in-country training on FIDIC program will be affordable and can easily be sponsored by individual or employer for the benefit of many practitioners young, and experienced who are involved in the contract management in Namibia.

WHO SHOULD ATTEND

Professionals who are involved in the planning design and implementation of construction contracts are highly recommend from the following:

- Government Ministries and Agencies;
- Private Sector Employers;
- Consulting Engineers;
- Contractors;
- Quantity Surveyors & Architects;
- Legal Advisers;
- Academic institutions and all involved with the implementation and management of FIDIC Works Contracts.

COURSE RECOGNITION

The FIDIC training courses are regarded by FIDIC as part of the appropriate training for any person wishing to apply to the National Adjudicators' lists to FIDIC. The FIDIC President's approves the lists of Dispute Adjudicators.

COURSE FACILITATOR

Eng. Zoltán Záhonyi (MSc. Civil Engineering) is an accredited FIDIC trainer and experienced in the use of FIDIC Contracts who gained international experience in various civil engineering fields in a number of countries European countries (Austria, Germany, Iceland and Great Britain). He is a Dispute Adjudicator in Hungary and speaker for International conferences.

COURSE FEE PER PARTICIPANT

- The fee for the training is € 400/ N\$5,500.00 per participant

The Fee includes tea breaks, lunch, refreshments and all course materials and a certificate of participation
