ABOUT WORKSHOP

This 2-day workshop has been designed to offer a complete and effective understanding and application of the FIDIC Conditions of Contract. During the course, the participants will have the opportunity to open discussions in order to clarify some of the practical issues.

WHO SHOULD ATTEND

The workshop will provide the necessary information for professionals from Government, Ministries and Agencies, Private Sector Employers, Engineers, Consulting Engineers, Quantity Surveyors, Legal Advisers and Architects. It is also important for the people involved in preparing and implementing projects under FIDIC Conditions of Contract.

THE FACILITATOR

Bogdan Oprea is accredited FIDIC trainer. He is a member of the Dispute Resolution Board Foundation of the Romania Association of Consulting Engineers. He served recently as Mediator, Negotiator and Adjudicator under FIDIC Conditions of Contract on several International Contracts
