About this workshop

This special two-day event has been designed to offer a complete up-to-date review of the effective understanding and use of the FIDIC Contracts currently in use. The FIDIC Contracts Module 1 Workshop programme has been designed to be highly practical and includes active participation in 'hands-on' workshops and discussion sessions.

The two workshop leaders are highly qualified in their experience of the FIDIC Contracts and are both authors of publications on the Contract Conditions.

The International Federation of Consulting Engineers (FIDIC) has, over the years, issued a number of standard documents for use on construction projects. The contracts which are currently in most common use around the world are: The Conditions of Contract for Construction (The 1999 Red Book); The Conditions of Contract for Plant and Design-Build (The 1999 Yellow Book); The Conditions of Contract for EPC Turnkey Projects (The 1999 Silver Book).

For more information about FIDIC, please go to www.fidic.org

Who should attend?

This event will be of great interest to all those actively involved in international projects, including representatives from Consulting Engineers, Contractors, Funding Agencies, Employers, Insurers, Manufacturing Organisations as well as representatives from the Legal and other Construction Professions.

Certificates and documentation

Participants will receive a FIDIC course completion certificate, copies of the FIDIC Red, Yellow & Silver 1999 contracts referred to during the event, plus full documentation.

Venues and date

Please check our website www.cornerstone-seminars.com for our current schedule. Cornerstone venue details are confirmed to delegates following registration. Workshops are held at outstanding venues.

Participants are issued with a FIDIC course completion certificate.

FIDIC Cornerstone workshops are organized wherever possible in cooperation with either a national FIDIC Member Association or a local association, to allow members of the association to enjoy certain benefits such as a reduced registration fee. If a reduced fee is available this will be indicated when a participant registers.

Cornerstone also provide in-house FIDIC seminars which can be tailored to your company's needs. Email: info@cornerstone-seminars.com

About the speakers

Edward Corbett is the managing director of Corbett & Co International Construction Lawyers Ltd, a practice specialising in international construction law. His experience includes ICC arbitration, litigation and dispute adjudication as well as contract drafting and procurement strategy. He has worked for contractors as well as for employers, funders and consultants. He regularly advises some of Europe's major construction players and his usual caseload involves projects in Europe, Africa, South-East Asia, the Indian Sub-continent and the Middle East. He is a Fellow of the Chartered Institute of Arbitrators, an accredited adjudicator and

mediator and a Panellist of the American Arbitration Association. He is the author of 'FIDIC 4th – A Practical Legal Guide'. He has lectured extensively on construction law and in particular on FIDIC's standard forms of contract.

He is previous co-chair of the International Construction Projects committee of the International Bar Association and is a member of the Working Group of FIDIC which drafted the Short Form of Contract and the Dredging Contract. Corbett & Co is an affiliate member of FIDIC.

Prof. Dr. Nael G. Bunni is a Chartered Engineer, Registered Chartered Arbitrator and

Conciliator. He is currently Visiting Professor at Trinity College, Dublin University. He is Past President of the Chartered Institute & Arbitrators Worldwide and of the Association of Consulting Engineers of Ireland. At present, he is a Special Advisor of FIDIC's Contracts Committee; and a member of various groups of the Commission on International Arbitration of the International Chamber of Commerce, Paris and its fora including the Forum on ADR; the Construction Arbitration Working Group and the Governing Board of the International Council for Commercial Arbitration.

In 1999, Dr Bunni was elected a Fellow of the Irish Academy of Engineering and in March 2000 he

was elected a member of the International Council for Commercial Arbitration, 'ICCA'. He is past Chairman of FIDIC's

Standing Committee on Professional Liability and FIDIC's Task Committee on Construction, Insurance and Law. At present he is a member or chairman of a number of technical committees in Dubai, USA, Ireland, Switzerland, Austria and Beijing.

He has acted as arbitrator, conciliator/mediator or DAB in fifty jurisdictions, having been appointed arbitrator in numerous cases of dispute with values exceeding £450 million, either as sole arbitrator or as a member of a tribunal or as a chairman of an arbitral tribunal.
