FIDIC Workshops

| Doha, Qatar | 22-25 June 2014 |
09:00 am – 05:00 pm |

Engineers Training Center is a FIDIC Accredited Training Supplier

About these workshops

These special two-day events have been designed to ensure that staff using FIDIC contracts have essential know-how for working on today's international projects and can manage claims and disputes properly. The FIDIC Module 1 & Module 2 Workshops programs have been designed to be highly practical and includes active participation in 'hands-on' workshops and discussion sessions.

The workshop leaders are highly qualified in experience of the FIDIC Contracts.

Who should attend?

This event will be of great interest to all those actively involved in international projects, including representatives from Consulting Engineers, Contractors, Funding Agencies, Employers, Insurers, Manufacturing Organizations as well as representatives from the Legal and other Construction Professions.

Certificates and documentation

Participants will receive a FIDIC course completion certificate, copy of the FIDIC Red & Yellow 1999 contracts book referred to during the event, plus full written documentation
