

**FIDIC** (International Federation of Consulting Engineers), **ACES** (Association of Consulting Engineers of Serbia – the **National FIDIC Association in Serbia**) and **Mace** Company are inviting you to a two-day **internationally accredited training**:

## **MANAGEMENT OF CLAIMS AND THE RESOLUTION OF DISPUTES UNDER THE FIDIC CONTRACTS, MODULE 2**

With all FIDIC contracts there will be claims. This training course is designed to provide practical assistance to those who work with the New FIDIC Contracts Conditions (1999 Editions) in the management of claims and achieving resolution to claims in particular and work of Dispute Adjudication Board (DAB)

It is applicable to all the Parties involved within a New FIDIC Contract- the Employer, the Contractor, the Engineer and the DAB Members. By having a professional understanding of the responsibilities and rights of the Parties under a FIDIC contract and the procedures to manage claims, the resolution of claims will be achieved more successfully. The course trainer is very experienced engineer, who has extensive involvement with FIDIC claims, disputes, adjudications and arbitrations procedures worldwide.

### **Who should attend?**

The training course provides the necessary knowledge for professionals such are Government Ministries and Agencies, Private Sector Employers, Consulting Engineers, Contractors, Quantity Surveyors, Architects, Legal Advisers and all involved with the implementation and management of Works Contracts.

Ensure that your employees are prepared for working with these important documents, which are becoming the international contractual language of the 21st Century
