ABOUT THE TRAINER

**Mr. Axel V. Jaeger, Dipl.
Ing., Dipl. Wirt. Ing.
Member of VBI (VUBIC),
Fellow of VBI, FIDIC,
Germany**

Mr. Jaeger, born in 1943, has university degrees in mechanical and also industrial engineering, started his professional career in the construction industry, major turn-key projects. Since 1971 he had been worked with the consulting industry and was Managing Director CEO and Partner of one of the leading German consulting firm SCHMIDT REUTER PARTNER and has since 2004 his own international engineering practice Consulting Services in Cologne, Germany, specialised in FIDIC Contract Management and Training, Seminars and Conferences. Mr. Jaeger has undertaken projects around the world in Western, Central and Eastern Europe, Middle and Far East, Africa and Asia.

He has been involved with FIDIC since 1983, especially in the FIDIC Contracts Committee / Task Groups for standard contract works, the General Conditions and became appointed as Fellow of Consulting Engineers of FIDIC. He served as a Member of the Electrical and Mechanical Contracts Committee Task Group for the Yellow Book (1983 – 1987), was the Chairman of the Task Group for Design-Build and Turnkey Contract for the Orange Book, (1990 – 1994) and since 1993 a permanent Member of FIDIC Contracts Committee. In 1999 the New Red, Yellow, Silver and Green Books, known as the rainbow suit, were published under his significant contribution. He has been accredited 1999 to lecture FIDIC launch seminars as facilitator and is a certified FIDIC trainer of FIDIC and VBI and a regular speaker on FIDIC Users' Conferences and Seminars. In the year 2001 he was elected for a four-year term of office by the majority of the international member associations as a Member of FIDIC's Executive Committee, EC, with the prime responsibility of the Contracts Committee, CC and the Assessment Panel for Adjudicators, APA. After his term as a Member of EC, in accordance with the FIDIC statute for EC-Members, he was again re-elected as Member of the Contract Committee CC in 2005, and was also working in the Task Group for the new international Design-Build-Operate, DBO Conditions of Contract and the update of the White Books. Since September 2006 he has been appointed as Chairman of FIDIC Contracts Committee and since September 2009 as a Special Advisor to the Contracts Committee. Mr. Jaeger is jointly responsible for the German FIDIC training series of VBI (Vubic) and the German Adjudicator Assessment (German Association of Consulting Engineers). He is the co-author of the 2010 book "FIDIC - A Guide for Practitioners". Currently he is working on the new international Operate, Design, Build, ODP Conditions of Contract, White Book Agreements and as Special Advisor on the update of the 1999 rainbow suit.
