“The Management of Contract Claims and the Resolution of Disputes”

under the 1999 FIDIC Contracts and Multilateral Development Banks’ Harmonised Construction Contract 2010

OVERVIEW

With all FIDIC contracts there will be claims. This training course is designed to provide practical assistance to those working with the New FIDIC Contract Conditions (1999 Editions) in the management of claims and achieving resolution to claims and in particular the workings of the Dispute Adjudication Board.

It is applicable to all the Parties involved within a New FIDIC Contract – the Employer, the Contractor, the Engineer, and the DAB Members. By having a professional understanding of the responsibilities and rights of the Parties under a New FIDIC Contract and the procedures to manage claims, the resolution of claims will be achieved more successfully. The World Bank and the IFI’s also require a Dispute Board on the same basis as the FIDIC Contract as detailed in the “MDB’s Harmonised Construction Contract”. The principal tutor of the course is a very experienced British engineer, who has extensive involvement with FIDIC claims, disputes, adjudication, and arbitration procedures throughout the world.

SEMINAR TUTORS:

David Heslett BSc (Hons) C.Eng, FICE

Managing Director, ECV

Marcus Theil, Dipl.-Ing. C.Eng.

Managing Director, CCM

The tutors are provided by European Construction Ventures (ECV) and CCM Austria, in association with FIDIC. ECV specialises in training and management consultancy to the international construction and infrastructure industries. The ECV tutors have provided over 250 training courses throughout the world in the last 5 years on the use of FIDIC documents. CCM Austria is specialized in contract and claims management in the construction business.

COURSE MATERIALS

All delegates will be provided the following materials, in English:

- FIDIC Conditions of Contract for Construction (Red Book) 1999 edition
- FIDIC Conditions of Contract for Plant & Design-Build (Yellow Book) 1999 edition
- Schedule of overheads used during the seminar – to be used as “Work Book”
- Work Exercises for use within the course
- Notes on changes incorporated in the MDBs’ Harmonised Construction Contract, 2006

WHO SHOULD ATTEND?

The training course provides the necessary knowledge for professionals from Government Ministries and Agencies, Private Sector Employers, Consulting Engineers, Contractors, Quantity Surveyors, Architects, Legal Advisers and all involved with the next generation of International Projects. It is particular important where FIDIC and DAB procedures shall be implemented and adjudication is available to resolve disputes.

**ALL COURSES AND TUTORS ARE ACCREDITED BY FIDIC
AND FIDIC / ECV CERTIFICATES ARE PROVIDED TO THE DELEGATES**

Programme

Day 1: 09.00 – 17.00
